The story of natural gas

What do you think you know about natural gas?

What questions do you have about natural gas? Start your questions with:

I wonder... Who? What? Why?

Where? When? How?
Reflections

1. In your own words or pictures, explain how natural gas was formed.

2. Using words or pictures, explain how natural gas gets from under the ground to our homes.

3. What new questions do you have about natural gas? Where or how can you find the answers to your questions?

4. What worked well in your group as you decided on the sequence for The Story of Natural Gas? What was challenging?
